All rates and terms are subject to change without notice. Annual Percentage Yield (APY) is the rate that would be earned on \$1,000 of savings, club, checking, money market, and IRA accumulation accounts. The APY may change on these accounts after the account is opened. Fees may reduce earnings. For share certificates, the yield is calculated on the minimum amount required to open the account. Dividend penalty for early withdrawal on share certificate accounts. A share certificate interest check may reduce your earnings. A fee of \$5.95 will apply for falling below the minimum balance requirement in the Checking Plus account. Falling below the minimum balance requirement on the Money Market Accounts will result in a \$10.00 monthly fee. Our Board of Directors reviews deposit rates on a regular basis. Your savings federally insured to at least \$250,000 and backed by the full faith and credit of the United States Government by the National Credit Union Association, a US Government Agency.
